HOSPITALITY:

- Fifteen (15) bottled water, and six (6) cans of Coca-Cola/Pepsi
- Selection of snacks for five (5) – veggie tray, meat and cheese tray, something homemade to snack on while gear is unloaded – sometimes we drive long ways to get to a show, only to work hard slinging gear for 2+ hours before a show – a little snack goes a long way
- Twelve (12) local craft beer, or event sponsor brand (Coors Banquet, Moosehead, Original 16)
- One (1) small bottle of whiskey (Buffalo Trace, Bulleit, and Pendelton are our favorites)
- Dinner (homemade, food truck, local favorites!?) for five (5) Available in the quiet hour prior to performance

Please indicate whether food is not available on site prior to engagement.

ACCOMMODATIONS

Four (4) to Five (5) double rooms of Best Western Quality

VENUE NEEDS:

We would be thankful for two (2) able bodied volunteers to help with load-in and strike.

We would appreciate access to a small table to display and sell merchandise, with power nearby.

We would need access to the venue for a minimum of three (3) hours prior to the doors being opened) in order to set up, sound check and prepare for the show. We require one (1) hour to tear down and strike after the performance.
